Examination Pattern - **IELTS (International English Language Testing System)** is a standardized **test that measures English proficiency** for non-native speakers, often required **for university admission, immigration and visa applications** in English-speaking countries like the UK, Canada, Australia, and the US.

THERE ARE TWO MAIN TYPES OF IELTS:

IELTS Academic:

For those applying to study at a university or college where English is the medium of instruction.

IELTS General:

For those migrating to English-speaking countries or applying for work experience or training programs.

THE TEST EVALUATES FOUR LANGUAGE SKILLS:

Listening

Reading

Writing

Speaking

Scores are given on a **scale of 0 to 9** for each section, with an overall band score. Higher scores indicate better proficiency in English.

TEST APPROACH:
